LIVER LICAS Local Editor and Res

WEDNESDAY, MARCH 27, 1861. We lay before our readers this morni ch delivered vesterday by Mr. Critte n. 4 m before the Legislature at Frankfort. The speech, though not extended, is one of historic interest. It will be read with attention by a greateful and admiring country.

We notice with regret that the tue jurity coate at Frankfort have reported a bill proiding for the election by Districts of the This provi-ion is glaringly false principle and in practice threatens to prove I'nion. We know nothing of the grounds her have assuredly erred most egregiously. leat taste. We trust it will be sustained by he Senate and concurred in by the House be out of the question. It is had enough to legislate on false principles, but to legislate or a too had. Isn't it? We respectfully submit the pount to the gallant chief of the ma-

Two months have searcely elapsed; but in that the distinction of the 8th of January—the search is shandored as "unnesset the sety or innor of the South and except such a tensor of the South and except such a tensor of the South and except such a tensor of the South and except such a search and except such a search and the search and t

There are two very grave mistakes in this paragraph. 1. Neither "the Crittenden "the ul imatum of the 8th of January." I su ary." The Union men of Kentucky have they must do it upon their own responsibility, at any time or in any shape adopted at and il they find themselves contending for the "lumatum." 2 The "Cristenden l'roposion" is not "abandoned" in the sense imputed own they shall be welcome to unite with us in the Courier or in any other real sense. The the formation of a better government." The dentity owell amendment to 'the Crittenden Propo magnificent empire to be reared upon the rution" is simply not insisted upon as essential ins of the old Union included all of the slave the rights of the South. In other words, states without one solitary exception. Indeed the "Crittenden Proposition," as construed by these fifteen States were to serve only as the the accessionists, is declared to be not an "nl | nucleus of the powerful nation whose life was The implied declaration of the to be evolved out of chaos. From Mason and 8th of January is now expressed. This is all Dixon's line to the 1sthmus of Darien-from The proposition of Mr. Crittenden was ar. proved by the Eighth-of-January Conventions to extend. The coy Queen of the Antilles

That we herely recommend the adoption of the recognition of our distinctional Senator, Ren. John J. Critereden, as a fair and honerable adjustment of the difficulties which divide and distract the people of our beloved country.

The two herely recommend the adoption of the properties of the difficulties which divide and distract the people of our beloved country.

The two herely recommend the adoption of the properties of the arms of this young guest, who recent himself the arms of this young guest, which have a guest himself the arms of the It isn't an "ultimatum."

That these dreams were really dreamed no one can doubt who has watched the progress of this revolution and the drift of secusion that the territories to longed to the United States.

That these dreams were really dreamed no one can doubt who has watched the progress of this revolution and the drift of secusion that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

On the other hand, this right was denied upon the ground that the territories belonged to the United States.

States: that no individual State nor any of the States.

States are nor any of the States.

States are nor any of the States are not any of the states of the review that the learning terms are proposition and government. Sir, let that the admitted. Admit that the present the territories belonged to the United States of this revolution and government. Sir, let that the admitted. Admit that the present the territories belonged to the United States of the states.

What is the policy for the wish of nearly those who attempt to form encoher the ground and interest the territories belonged to the United States of the States.

On the other hand, this right was denied upon the ground that the territories belonged to t

Well, what do they now declare? Why. a very thorn in the flesh ever since. And, last well, what do they now occurrer and the Peace Conference embraces "a fair and honorable adregarded in the mad haste with which their tice in excluding from that equal and full enjoyment any class of States because of any institution that may exist in them. The Constitution declared generally on the 8th of January.

This, we repeat, is all. This is the position of the Union men of Kentucky. They have tion just here. In comparison with the restriction just here. In comparison with the restriction just here, in a comparison with the restriction just here. In comparison with the restriction just here. In accepted them at the formal solution is adoption as entitled to equal rights. declared generally on the 8th of January. anthority of Sovereign Conventions extende? They were on the 8th of January in favor of roturn of the withdrawing States, all other they are to-day in favor of the same. We care nothing about the success or defeat accepted Mr. Cristenden's prop. of parties-we only long for the return of harreition as "a fair and honorable adjustment." mony and for the revival of our national pros-They accept it as such now. They accept the perity. And if we have any national health They accept it as such now. They accept the proposition of the l'eace Conference as another such adjustment. They are willing to accept either of these two propositions or any other fair and honorable adjustment." They ask only for the substance; they care nothing for the form. Give us the Cristenden proposition, so that it comprise a "fair and honorable adjustment. We go for "a good. But if the people will undertake the justment," and we are content. We go for "a fair and honorable adjustment," and not inflex bly for any particular proposition. If this autitude is not rigorously consistent with the attitude is not rigorously consistent with the we can look for is a voice from the centre and entions, we own we are not keen enough to demagogues who have been feeding upon the

can be detected even by the "finer optics"

troubler, we place cer trust in the people, as distinguished from the politicians. And our confidence in the people has not abated in confidence in the people of the above in the above in the people of the above in the people of the above in th the Border is especially unwavering. The rev
The season of the Senate and the people of the Senate and the se

South, but the chief blessings to be won under a distinct organization were summed up in these two propositions. The debates that followed, in Congress, in mass meetings, and in the columns of all the newspapers in the land, accomplished positively nothing, so far as the action of the prime movers went. A foregone conclusion could not be affected by argument. Discarding all advice, disdaining all co-operation, South Carolina tore herself out of the Confederacy, as far as her own act could do it. The other Cotton States fired a hundred guns apiece and one by one dropped out after her.

pathy of every slave State, the l'almetto nthorities hanghtily declined to act in concert sinh her nearest neighbors. "What we now their necurity lasting in purs of the South as to the safety of their necurity institutions. They dead that the with her nearest neighbors. "What we now do," said they, "we do as a free and sovereign State. We reclaim authority and power delegated to the General Government, and resume our original status as a nation. If other States shall choose to follow in our footsteps they must do it mpon their own responsibility, and it they find themselves contending for the sevential of the sevential of

one assumed in the Lighth-of-January Consuntione, we own we are not keen enough to detect the inconsistency. We do not think it very vitals of their masters—"Thus far shall in the year 1200, duction of Missouri rean be detected even by the "finer optics" but are

The Courier says the Union men of Kentucky, now, amongst other things these the excessionists. They declare that Mr. Crimendea's proposition, with the Powell amendment, and other amendment, is their misrepresents inexcusably the men of the Chicago platform." The Courier misrepresents inexcusably the men of whom it speaks. Not one of them will nrge submission meaning and modifications that they say that if they can't get the course of the constitution. They say that if they can't get the course of the constitution of Missouri into the [nion, were involved in this respect the through the constitution of Missouri into the [nion] were involved in this very question of deavery agitation. The destination of Missouri was objected to because of its constitution, in view of the fact that slavery existed in the new State and was anctioned all my heart. I am one of the relation of Missouri into the [nion] of a state and was anctioned and proposition, with the respect that Mr. Crimendea's proposition, with the Powell amendment, and other amendments, is their misrepresents inexcusably the men of whom it speaks. Not one of them will nrge submission of Missouri into the [nion] of a state and was abstent the constitution of Missouri into the [nion] of a state and was anctioned by heart that slavery existed in the new State and was anctioned and proposition. Manifesting at that early period in the constitution. Manifesting at that early period in the new State and was anctioned by the constitution. Manifesting at that early period in the constitution. Manifesting at that early period in the constitution. Manifesting at that early period in the new State and was anctioned by the constitution.
